**Forward-Looking Statements:** This Platform Road Map and the information on our website contains or may contain certain statements, estimates and projections that are or may be deemed "forward-looking statements." All statements other than statements of historical fact on this Platform Road Map and our website are forward-looking statements and include statements and assumptions relating to: plans and objectives of management for future operations or economic performance; conclusions and projections about current and future economic and political trends and conditions; and projected financial results and results of operations. These statements can generally be identified by the use of forward looking terminology including "may," "believe," "will," "expect," "anticipate," "estimate," "continue," "rankings," "intend," "outlook," "potential," or other similar words. Chain Games, its employees, staff, affiliates, assigns, principals, advisory board, governing board and advisors do not make any guarantees, representations or warranties (express or implied) about the accuracy of such forward-looking statements. Forward-looking statements involve certain risks, uncertainties, and assumptions and other factors that are difficult to predict. Readers are Cautioned that actual results of the statements referenced in this Platform Road Map and the accompanying website could differ materially from forward-looking statements; and readers are cautioned not to view forward-looking statements as actual results or place undue reliance on forward-looking statements. Conduct your own Due Diligence when Reviewing this Material.

**CONSULT YOUR OWN ADVISORS BEFORE MAKING ANY DECISION WITH REGARD TO ANYTHING WRITTEN IN THIS MATERIAL.** Additional information is available on our website: <http://www.chaingames.io> but it is not exhaustive of all risks and is subject to all disclosures. Before using or participating in Chain Games please perform your own due diligence. Digital Assets carry a high level of risk. Decentralized Finance (DeFi) is experimental, and code can be flawed. Nothing in this Platform Road Map is an offer of an investment or a solicitation of any kind. We have taken the position that CHAIN is a token that aims to be a pillar of the blockchain gaming industry allowing for active participation on the Chain Games gaming platform. Before participating in Chain Games, you must read and agree to our Terms and Conditions.

**Chain Games is an Estonian Private Limited Liability Company and governed by the laws of Estonia.** Chain Games is not endorsed by, directly affiliated with, maintained or sponsored by the NBA, NFL, FIFA, Apple Inc., Google, Electronic Arts, Activision, Blizzard, Take-Two Interactive, Microsoft, Xbox, Sony, Playstation, Activision, or Infinity Ward. All content, logos, games, titles, trade names and/or trade dress, trademarks, artwork and associated imagery are trademarks and/or copyright material of their respective owners.

**No Recommendations, Offerings, Advice or Solicitation:** Nothing in this Platform Road Map or written on our website should be construed as, and may not be used in connection with, an offer to sell, or a solicitation of an offer to buy or hold an interest in any blockchain, cryptocurrency, security or investment product. Nothing in this Platform Road Map is or should be deemed an offer of an investment or a solicitation for an investment. We have taken the position that CHAIN is a gaming token that aims to be a pillar of the blockchain gaming industry and for all intents and purposes we believe it should be viewed as such. We make no guarantees that the legal and regulatory regimes governing at any period of time will view this in the same or similar manner and offer no advice or conclusions.

**Inherent Risks of Cryptocurrencies:** The company is not responsible for the costs and fees associated with the purchase, sale, transfer and/or liquidation of CHAIN and/or the corresponding currency and/or platform used to transact in CHAIN. Everyone acknowledges that cryptocurrency is volatile, prices can swing in any direction at any time, cryptocurrency is highly speculative and CHAIN like any other cryptocurrency carries the same or similar risks. Any decision regarding CHAIN should be made in coordination with careful consideration and professional tax and financial advice where applicable.

**Celebrities May be Paid to Endorse Chain Games esports and other gaming Platforms:** From time-to-time celebrities will endorse our esports and gaming platform. They are being paid for their endorsement. It should be understood that they are not promoting a virtual token or coin nor are they touting any investment. Any celebrity who endorses our gaming platform is being paid for such endorsement and any decision regarding this material should not be based in whole or in part on the endorsement of a promoter or other individual of our gaming and esports platform.

**CHAIN IS A TOKEN TO BE USED ON THE CHAIN GAMES GAMING PLATFORM. ANY PAST PERFORMANCE IS NOT INDICATIVE NOR A GUARANTEE OF FUTURE RESULTS.** No content in this document shall be viewed as a guarantee of future performance of Chain Games gaming platform or CHAIN for that purpose.
